YEAR 4 Parent Information File Spring Term 2010

Mr Perry
and Mrs Bryant

Year 2010

Spring Newsletter

Dear Parents,

Welcome back to an exciting new term! I hope you have enjoyed the unexpected snowy weather we have had recently! Hopefully, there will be no more interruptions this term.

We have another exciting term planned for the Spring. The curriculum overview in this leaflet gives more detail on this.

Also on this newsletter is your child's new numeracy targets. These have changed since parents' evening, so please encourage your child to work on these wherever and whenever possible at home. Please note, that their literacy targets remain the same for the time being.

Finally, I look forward to meeting you all again at the parents' meetings in March, but, in the mean time please do remember to share any worries or concerns that you or your child has, I'm always happy to help.

Best wishes,

Mr Nick Perry

Numeracy Targets - Spring A

These are your child's year group's maths targets for this half term:

In their numeracy

They must: be able to subtract 2-digit numbers mentally.

They should: also be able to subtract 3-digit numbers mentally.

They could: also be able to subtract decimal numbers (to 1 decimal place).

Curriculum
