& Mrs Williams**

Year 2

Autumn Newsletter

Dear Parents,

All the children seem to have settled in really well this term and we have been impressed by their interest and effort in their work.

Your child will have brought home their new homework book already. It's been lovely to see so many of them, getting into the reading habit straight away! Please continue to read regularly with your child. This will help them develop their skills in decoding new words and also provides them with an opportunity to discuss their reading (e.g. What was the story about? Did they like the illustrations? What might happen next? Who was their favourite character?")

Number bonds and counting (forwards and backwards) always benefit from extra practice! Don't forget discussions involving maths too, like looking at number plates on cars or house numbers (Are they odd or even? What is the value of 7 in 73?)

We greatly appreciate any time that you could spare to come into school and help out with activities in the classroom: cooking, art work, ICT, reading, playing games or sharing any expertise you may have related to our topic work. Please come in after school any day to chat about this.

Finally, I look forward to meeting you all personally at the parents' meetings later in the term, but, in the meantime, please do remember to share any worries or concerns with me as soon as they arrive. We all want the children to be happy and confident in school as this is when they learn best.

Best wishes,

Miss Roe and Mrs Williams

Writing Targets - Autumn

These are your child's year group's writing targets for this term:

In their writing

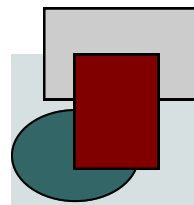

They must: use finger spaces between words and begin to use full stops at the end of sentences.

They should: correctly punctuate sentences with full stops and capital letters.

They could: correctly punctuate sentences with full stops, exclamation marks and capital letters
